Baseball

(By Barney)

Without doubt the best game of ball played in Lacombe this season as played on Friday night last when our boys met the boys of Jones Valley. Our boys are beginning to show marked improvement as the result of practice, and it will not be long before we have as good a team as any place on the line. The game on Friday was called shortly after seven o'clock and it was not until the third inning that Lacombe succeeded in getting a home run. The players on both sides were put out almost as soon as they got to the bat, and the game was a draw, one-one, in the fifth or sixth inning. Jones Valley Pitcher is an old hand at the game, and it was he who saved the day for his team. The visitors' basemen were all good, and in all it was a game equal to most of big leagues. Benson, Lacombe's catcher, showed both teams a line of speed and surprised the local fans in his ability to catch anything put over. Lacombe is a trifle weak in the battery, but with a little more practice that can be remedied. An outsider was heard to remark at the game last week that Lacombe has the material for one of the finest teams on the line.

Blackfalds

Don't forget Dominion Day picnic under auspices of school. This is to be a real picnic. Come prepared to enjoy yourselves rain or shine. Everybody come. Good program of sports, etc. Ladies please bring baskets.

Result of Red Shield Campaign

The result of the recent Red Shield Campaign in this district was very gratifying, \$575 being subscribed from Lacombe and \$135 from Bentley.

Lacombe Kennel Club are not holding show this year owing to time required to obtain permission for dates from Ottawa under terms of the C. K. C. It has been decided to cancel the show that was to be held in connection with the Lacombe Fair.

M. D. CROWN 399.

The Council of the above district met in the office in the Window Block, there being present Jas. Sage, O. Hedemark, R. M. Gibson, A. P. Rainforth, Roberts and J. M. Douglas.

The minutes of previous meeting were read and it was moved by Roberts that they be adopted as read. Carried.

Gibson, that the amendment moved by Roberts at last meeting be published. Carried.

Roberts, (amendment at meeting of May 9 1919). That rate of wages be 25 cents per hour for team, 35 cents for man, and 40 cents for foreman. Roberts only voted for same.

Roberts, that secretary write the C. P. R. asking them to sell to the M.D. Crown No. 399 one acre of ground situate a short distance from the Hamlet of Morningside for a nuisance ground for the aforesaid Hamlet. Carried.

Gibson, that S. Morris is to be sworn in as police for M.D. of crown No. 399 to be paid at the rate of \$3.00 per day and ten cents per mile for every mile travelled in discharge of his duties. Carried.

Hedemark, That a grant of \$50 be given to the Asplund Cemetery. Withdrawn.

Sage, (amendment) that no more grants be paid to cemetery, this year and that all grants that may be required in future be laid before the council before the yearly rate is fixed. (Lost). Sage, Hedemark and Douglas voted for; Gibson, Roberts and Rainforth against.

Roberts, (amendment) to the amendment of Mr. Sage that a grant of \$25.00 be granted to Asplund cemetery providing the cemetery be regarded as a public cemetery, to be used for the erection of fences. Carried.

Roberts, Gibson, Rainforth and Hedemark voted for Sage and Douglas against.

Sage, that an inspection of the road between sec. 26-25-25, 36-39-26, with meridian be made, and report made at next meeting. Carried.

Gibson, that the Provincial Police be instructed to take proceedings against J. M. Southward for having his hogs running at large during the last three months. Carried.

Sage, that letter re stink weed be laid over until the next meeting, when the names of likely weed inspectors will be reported. Carried.

Sage, that secretary draft a letter to be published in the Western Globe, re Hail Insurance. Carried.

Sage, that letter re Supplementary Revenue Tax rate for 1919 be placed on file. Carried.

Gibson, that each councillor report at next meeting under the Widowed Mother's Act. Carried.

Sage, that Reeve and treasurer be instructed to borrow \$2000.00 to meet current expenses.

Gibson, that the Grose taxes be laid over until next meeting and Mr. E. H. Jones be notified. Carried.

Sage, that Mr. Northcott be paid the amount of \$11.25 for diversion for road on Sees. 16&17-39-25 w4 as per agreement in front of council in 1918. Carried.

Gibson, that Reeve, Messrs. Hedemark and Gibson be a committee to look into the Landsdale road and report at next meeting. Carried.

Sage, that secretary be instructed to refund the rate for 1918 (16.40) to Hy. E. Switzer on the S.W. 4 13-39-26 with. Carried.

Sage, that secretary be instructed to order another car of plank and timbers, duplicating the previous car ordered. Carried.

Sage, that a list of the District Highways be sent to the department and work proceeded with on same. Carried.

Sage, that the following accounts be passed and ordered paid.
Registrar of land titles. \$136.50
Western Municipal News. 26.04
U. F. A. Co-operative Assoc. 860.00
Postmaster. 650.00
Jesse Fraser. 75.00

Total \$349.54. Carried.

Gibson, that the sec-treas, be paid \$500.00 on account of salary. Carried.

Gibson, that labor-pay sheets be passed, the Reeve be authorized to sign and treasurer instructed to pay the same. Carried.

Roberts, that meeting adjourn to July 4th, 1919.
E. Walter Simpson, sec-treas. of M. D. Crown No. 399.

Soldiers' Memorial Hall

The attendance at the mass meeting of the citizens of this district, held in the Veteran Theatre on Thursday evening was not so well attended as the promoters wished, but about seventy-five, turned out, and what was lacking in numbers was made up in enthusiasm. A. Gilmour, M. P. P. was voted to the chair, and after stating the object of the meeting, called on all present to give their views as to what sort of a monument should be erected here in memory of our boys who died in France. Short addresses were given by Rev. Mr. Hollingsworth, Rev. Mr. Barr, Messrs. J. N. B. McDonald, W. P. Brett, Jack McKenty, R. M. Gibson, and others, and the opinions of these gentlemen were very evenly divided between the erection of a monument and the building of the proposed memorial hall. It was thought by some of the speakers that our district would have no difficulty in raising enough money to build and equip a hall, while others were not so optimistic. It was decided to appoint a committee consisting of Mrs. T. F. Roberts, Mrs. E. Miesner and Messrs. Morris, Gibson, Graham, Hollingsworth, Barr and MacDonald, to meet a committee from the Veterans' Association, and decide what the veterans wanted, and report to a meeting to be held shortly. Lacombe is determined upon a suitable memorial. Some 350 young men from this district fought in France, and our losses in lives were very heavy.

National Council of Women Are Indignant

Regina, June 19.—The National Council of Women in annual meeting assembled desires to express its unqualified indignation at the action of the senate in defeating the will of the people of Canada, as expressed by their elected representatives in the House of Commons.

"Not for the first time is the senate showing its contempt for the people of Canada. But now in its decision on prohibition it has done so in a way injurious to the highest interest of our country. This council believes in governing of the people by the people for the people and calls upon the premier of Canada to secure proper recognition of the will of the majority of the men and women, citizens of Canada."

The above was a resolution passed at yesterday afternoon's meeting of the national council of Women, every woman in the house rising to vote in favor of copies of the resolution being wired to Premier Borden and to the senate of Canada.

Next in point of enthusiasm it was the resolution brought in by Mrs. Smilie of Ottawa, as chairman of the N. C. W. committee on public health. She received a splendid hearing and the recommendation of the committee went through unanimously. They were:

1 That the National Council of Women, realizing that Dominion-wide concerted action is needed to decrease the amount of infant mortality, ask the Dominion government to organize a national baby welfare week.

2 That the N.C.W. ask the Dominion government to create a child welfare department of the federal department of health, speedily, and that this child welfare department be staffed by competent women, this request to be wired to the Dominion government. (Mrs. Ralph Smith, M. L. A. of Vancouver endorsed this clause.)

3 That the N. C. W. reaffirm the request sent some time ago by the executive of the Dominion authorities that for a holiday on the Dominion-wide should be equipped with first aid apparatus. (No response has been given except that the matter was under consideration.)

The showers of the past week have been a great help to the growing crop, and prospects are good for a record harvest. The cut worms, which threatened great damage a couple of weeks ago, have apparently suspended operations, and while some farmers sustained severe losses, and were compelled to seed parts of this land over again, the great majority escaped damage. The crop from present indications will be lighter than usual owing to the hay meadows being dry this spring; tame hay, however, will be up to the average, and there will be plenty of green feed.

Gillette Safety Razor

The Shaving Service for Every Man
—Everywhere

No Stropping
—No Honing

The NEW
KIT SET
No. 20

A perfect shaving edge is the daily privilege of the Gillette Safety Razor owner.

Few men can hone or strop a razor sharp enough to stop it pulling on the neck and around the awkward places. With a Gillette you do not depend upon your own skill in stropping and honing.

The perfection of the edges of Gillette Blades is assured by our highly specialized machinery.

The new Kit Set shown above is most compact (especially convenient when you go for a holiday or on business), and enables you to enjoy the most comfortable shave in a few minutes every morning.

Your jeweler, druggist, or hardware dealer can show you a variety of Gillette Sets at

\$5.00 the set

For Sale
One registered Aberdeen Angus Bull, 2 1/2 years old. Price \$125. Apply box 220, Rocky Mt. House. J11 3p

Taxation of Land According to Value

When a rate of taxation amounting to about \$2 per quarter section was the total tax levied on the land in the province for Provincial or Municipal purposes, the fact that these taxes were levied on a flat rate of so much per acre, regardless of the value of the land, did not cause any particular complaint, as while it was not a fair basis of taxation, the amount of taxes payable on each quarter section was so small that no particular hardship was felt, and the fact that a man owning a quarter section worth about \$1000 paid as large a tax as a man owning a quarter section worth \$4,000 was not given much consideration. As the years went on it was necessary to raise the rate of taxation and to levy additional taxes. With increased taxation it became very evident that the levying of taxes on an acreage basis was not fair. It is admitted that it is impossible to levy taxes on an absolutely fair basis, but the increasing of the amount of taxes payable on a quarter section made it clear that a system of taxation whereby a quarter section worth only about \$1000 was taxed as high as one worth \$4000 was not just. Under such a system, of taxation, taxes are not levied in accordance with the ability to pay. At a rate of ten cents per acre, a man with a \$1000.00 quarter section pays \$16.00 taxes so does the man with the quarter worth \$4,000. That is the man with the greatest ability to pay, pays only the same amount of taxes as his poorer neighbor who has land worth only one quarter as much. That is for the purposes of taxation the value of the property owned by the man with the poorer land is rated much higher than its worth, while in the case of the man with the more valuable land, his property is rated at much less than it is worth.

In considering the merits of any system of taxation the matter must be approached from the standpoint that taxes should be paid according to the ability to pay, and looking at it in this way, there does not appear to be any sound argument against the system of levying taxes according to value, rather than on an acreage basis. This principle having been recognized in connection with taxes levied directly or indirectly for the benefit of the province at large, the different Acts through which the Province derives revenue from taxes on lands were amended at the last session of the legislature by legislation introduced by the Minister of Municipal Affairs, so that beginning with the year 1920 taxes levied by the province either directly or indirectly will be levied according to the value of the land and not according to the area. That is, all taxes levied on lands outside of organized School Districts, under the Educational Tax Act; taxes levied on all lands in the Province under the Supplementary revenue act, taxes levied on lands outside of organized Municipal Districts under the Improvement District Act, and taxes levied on lands subject to taxation under Wild Lands Act, will be levied according to the value of the land taxed. The only exception will be the taxation of lands leased from the Dominion Government, and in this case the taxes will be levied on an acreage basis, but as the rate is low it does not create any hardship.

In preparation for this work, all lands outside of organized Municipalities are now being valued under the direction of the Minister of Municipal Affairs and Municipal Districts which are not already levying their taxes according to land values, will be required to value all their lands for the purpose of taxation under the Supplementary Revenue Act next year.

The basis of taxation is the cash value of the land without taking into account any improvements made upon the land by the expenditure of capital or labor. In working out this cash value there are only three matters which are required to be taken into consideration, namely:
First—The nature of the soil.
Second—The nature of the surface; that is, whether it is broken by ravines, coulees or timber and so on.
Third—The distance of the land from a shipping point.

As the comparative values will only change under exceptional circumstances, as for example, where a new railway passes through the locality, and as this is the third and last consideration, it will be noted that once a value is fixed, there will not be very much change for some years. This being the case, provision has been made for a valuation by Municipal Districts only once in five years, thus reducing the work and expense in connection with the levying of taxes. The first valuation under this scheme will be the valuation in the year 1920, the next in 1925, and so on. Provision has of course been made for the valuation in any year of land which becomes liable to taxation during that year, so that the fact that the general valuation is only made every five years, will not exempt land from taxation which becomes liable to assessment and taxation during any year other than that in which general assessment is to be made. Tax notices of course will be issued each year.

While a change from an acreage system of taxation to one according to value will cause extra matters will soon adjust themselves and there should be no difficulty in administering a system of taxation along these lines. The fairness of taxation according to value will if matter is given due consideration appeal to fair minded people as a better system of taxation than acreage system which makes the poor man pay the same amount of taxes as the owner of good land, who is generally wealthier and better able to pay.

One of the main objections to taxation of land according to the value has arisen from the fact that many land owners are under the belief that if taxes are levied according to value, the owner of the land will have to pay taxes on the value of the land together with the value of the improvements placed upon it by hard labor or by expenditure of money. Such, however, is not the case. All provisions in the laws of the Province in regard to taxation of farm lands, requires the valuation of these lands for taxation purposes to be made on a raw land basis and there is no tax on the increased value of lands because of improving of the lands by the expenditure of labor or money. That is, a man who improves his farm by cultivation, building of fences and putting up of buildings is not punished for doing so by having to pay taxes on such improvements. Raw land values being equal, the owner of unimproved land has just as large a tax to pay as a man who improves his farm and if he is making no use of his land has, in addition, to pay a Wild Lands Tax.

It's Up to You!

Why should you go through life with half sight, or poor vision? The other day I fitted a man with glasses who had gone through life so near sighted that he could not recognize a friend across the street. This man had never known the joy of clear vision, and it was a pleasure to see his delight when he viewed distant objects for the first time.

Then there is a person who has a headache after reading for a short time. It is more painful than the near sighted condition, but yields equally when proper glasses are worn. If you are having trouble with your eyes, have them tested.

SID AND HIS LETTERS

Sid Goes to the City and Writes to Mary

Laughable letters from a boy from the slums of a city, written to his friend Bill.

Written by Barney Halpin.

Dear Mary: --

I am in the 'sittee at last but I do not like it a tall as you are not hear with me, but still we are having some fun anyhow, bill an me go to the show neeles ever nite and the rest uv the time we spend in goin on street cars, I also miss tom an-the rest uv the animals an cattel, also the lake, we can go in swimmin at the Y.M.C.A. but I dont think you no what that is, but I dont like it, as you hayta ware bathin soots, an I do not likt to swim with klose on Helen brown who is a gurl frend uv mine an bills ses she is afful glad to sea me agen, but I sed I wood be glader to sea you, oh Mary, uv course I am always glad to sea my friends tho, but that is al I didnt even ast her to go to the show with me as I did not like to go with eneeother gurl when I am goin with you, won gurl is enuf at a time, ar the cut wurums still as bad as ever and also the weeds, I am glad if they ar, as I wont have to pul them fur a while, eneeaway I sup pose you mis me do you mary I hope you do as bill ses that he bets you will be goin with a nuther fella when I am away, ov course I dont think you wood do that, but as bill also sed that when im out uv site I am out of mind, ov course he may think I am craizee or sumpin els, wel I havent much noos to tel you this time an per haps be- four you hear from me agen I will be back, and as you sed I will be wandering in an out thru the trees by the banks of the buteiful river that wens its way thru the fastnesses of the forest to the grate see that lies to the eastward. Say mary doesn't the above soom fool- ish but that is how you rit to me when you were in winapig, the fare is goin to be nex month, but I dont think I will stay away from you much longer as I am, gettin lonesum fur you al redee, an the sement side waks an the hy bild- ins make it so darn hot in town, I wish I cood take a swim in the lake wunce more an then I wood die happy as the old sayin is, tom sed it wuz sed by shakespear but I dont no for shure, I just put it in enuz I cood not think of nuthin else besides, I do not no who shakespear is, but I suppose he is a worcier uv the olden dais when they fot with speers, tel tom I am cumin hoam nex Monday an that he is to meet me at the stay- shun with his hoarse an buggy, as I think it will be hot to walk by that time, Wel old girl I must glose now hoapin you are al wel an misin me as I am you, so long until I get bak, yures til then.

Sid
p.s. tom sed this is the way to make kisis, XXXX I do not sea eny cents in doin them like that do you mary.

The Huge Profits of Two Manufacturing Concerns.

The evidence of the managers of the Patton Manufacturing Co. and the Dominion Textile company before the parliamentary com- mittee of living committee reveals an astounding state of affairs. It shows that these concerns have been making profits so huge that, despite the heavy excess profits taxation imposed upon them, the shareholders have secured returns away beyond those to which they are entitled.

Old Country and other outside manufacturers of woollen and cotton goods were too busy with supplying the demands of their home markets to pay any attention to Canada. Freed thus from competition, these Canadian establishments proceeded to take the last cent they could out of the Canadian consumer. In the case of the Dominion Textile company the inordinate profits were largely due to a very fortunate speculation in raw cotton. The shareholders will argue that in putting in large supplies of cotton they took a chance. If the price had gone down instead of up they would have had to stand the loss. But, apart from this, it is evident that the consumer was molested to an extent for which there was no justification and the revelation of the greed which the manufacturers have shown when operating un-

der these favorable conditions must react strongly against them and all who are engaged in their line of business.

Anarchy is stimulated by nothing so much as by the operations of such unscrupulous capitalists. The rightful indignation which is caused is speedily followed by agitation which threatens to bring down the whole economic structure of the country, involving alike those capitalists who have a sense of their responsibility to the public and those who have not. The Cost of Living commission recently declared that there was no reason why the prices of clothing materials should be so high and that they ought to be brought down immediately. His statement was challenged. This challenge can hardly be persisted in after what the Ottawa committee has been told by the manufacturers who appeared before it on Monday and Tuesday.

It is difficult to understand how after paying the excess profits tax such large sums could remain available to the shareholders of these companies. Of the profits between seven and fifteen per cent a quarter goes to the government. Of those between fifteen and twenty per cent it takes a half and of those over twenty per cent it takes three-quarters. Thus if a company earned 80 per cent on a \$100,000 capitalization, that is \$80,000, approximately \$50,000 of this would go to the government.

This is a stiff taxation. That in spite of it these concerns of clothing materials have been able to make such large returns to their shareholders simply shows what an opportunity they had and how greedily they took advantage of it.

It is evident that these concerns should have been treated as were the packing and milling companies, whose profits were limited still more strictly than the general excess profits tax provided for. Eleven per cent was the most that the packing plants were allowed to retain while not more than a profit of twenty-five cents per barrel was allowed on flour.

It has been stated that no account of the fact that stock was watered or was largely a gift to the shareholders as in the case of Dominion Textile Company was taken by the government in levying the excess profits tax. This is not correct. The statute reads that "for the purposes of this act the amount paid up on the capital stock of a company shall be the amount paid up in cash." Next year the act was amended to include all unimpaired reserves as part of the company's capital.

The revelation regarding the profits in manufacturing clothing material ought not to lead anybody to the conclusion that the high cost of living can be wholly explained in this way. It is high in every part of the world and in all other countries has given rise to the same complaints and unrest as in Canada.

It was inevitable—with the withdrawing of such an immense body of men from their ordinary pursuits to fight and to supply the direct needs of the fighters, and with the inflation of credits which the war made necessary—that prices would advance greatly. Very little of the advance is due to profiteering. But where the evil has been accentuated by deliberate profiteering, as has been shown to be the case in the clothing trade, for which general excess profits legislation is not a sufficient remedy, it is imperative that a specific remedy should be applied.

Why the Case Tractor Leads All Others

1. One piece cast main frame, forming dustproof housings for rear axle, bull pinion shaft, transmission and the bearings for these parts. Also a base for motor. This construction brings rigidity and prevents disalignment.
2. All traction gears are cut steel, enclosed and running in oil. No bevel gears, chain, worm or friction drive parts.
3. Case air washer delivers clean air to carburetor. No grit nor dust gets into cylinders to minimize their efficiency and shorten their life.
4. Four-cylinder Case valve-in-head motor. Removable head. Motor is set crosswise on frame, affording use of all straight spur gears. This conserves power.
5. Case Siphon Thermostat control cooling system and insure complete combustion of kerosene in the motor. Prevents raw fuel from passing by the pistons and diluting oil in crank case.
6. Weighs about 3,400 pounds; little more than a team of horses. Low and compact with short wheelbase. Turns in 22 ft. circle. Stays on all fours.
7. Rated 10 horsepower on draw bar, but develops nearly 14 horsepower. Rated 18 horsepower on the belt, but develops about 24 horsepower. This insures abundant reserve power.
8. Belt pulley mounted on the engine crank shaft. No gears used to drive it.
9. All interior motor parts lubricated by a combination pump and splash system. Speed governor, fan drive and magneto are dustproof and well oiled.
10. Complete accessibility. No dismounting necessary. Removable covers permit you to get at parts quickly.
11. Hyatt roller bearings in rear axle, bull pinion shaft and transmission case. Kingston ignition and carburetor. Five piece radiator with a cast frame. Core, fin and copper tube; non-clogging type.

Posting the Public on the Law

Hon. A. G. MacKay is making a speaking tour of the province, for the purpose of explaining to as large a section of the public as possible the legislation passed at the recent session of the Legislature.

The enterprise is a good one and might with great public advantage be adopted by Ministers generally, both of the Provincial and Dominion Governments. The theory is that everybody knows what the law is, and is therefore responsible if he violates it. That theory is somewhat strained in a country where the provincial legislatures and Dominion Parliament make such annual and comprehensive changes in the statute books as is common in Canada.

To know the law is in fact beyond hope for the average citizen. Yet both his own interests and the welfare of the community require that he have working knowledge of what is required of him, allows him to do, and forbids him doing. It is quite possible to believe that if the law were more generally understood there would be fewer infractions of it, and fewer demands for new laws and amendments to old ones.

The epidemic which visited the Province last year threw an unprecedented amount of responsibility upon the health and municipal machinery of the Province. The machinery we found in a good many cases not adapted to deal with a situation of that kind. Yet that is precisely the situation in which efficiency at the maximum is required.

A good many changes in the

laws respecting health, and the relations of municipality to health matters, were in consequence made at the late session of the Legislature. It might also be said that the health department of the province was completely reorganized, and adjusted to work on a more comprehensive scale than before considered necessary. The more important on that account is the campaign which the Minister is now undertaking to make known as widely as possible the duties, responsibilities and opportunities of all parties concerned in the broadened scheme for safeguarding health and life.

Pasture to Let

Have pasture for forty head of stock to let. Good water. Phone 1704. H. F. Flewelling, Lacombe.

In The District Court of the District of Red Deer In the Matter of the Estate of Donald McIntosh, Deceased.

Notice is hereby given that all persons having claims upon the estate of Donald McIntosh, who died in the year 1919 at Bentley in the Province of Alberta, are required to file with the undersigned by the first day of July 1919, a full statement duly verified held by them, and that after that date the executors will proceed to distribute the estate of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been filed with the undersigned.

Dated this 27th day of May, A. D. 1919.

Edwin, H. Jones,
Box 148, Lacombe,
Solicitor for the executors.

Judicial Sale

Pursuant to the final order for sale made by His Honor, J. J. Mahaffy, dated the 16th day of June A. D. 1919, there will be offered for sale by Harry M. Williams, Auctioneer, at his office in the village of Clive, Province of Alberta, at 11 o'clock in the forenoon, on Saturday the 19th day of July, A. D. 1919, the following lands and premises: The North East Quarter of Section Nineteen (19), Township Forty One (41), Range Twenty Four (24) West of the Fourth Meridian, in the Province of Alberta, containing 160 acres more or less.

The Vendor is informed that the property is situate six miles north of the Village of Clive in the Province of Alberta. The property is all fenced; there are about 100 acres broken and practically all of the said land can be cultivated. The soil is a black loam. The property will be offered for sale subject to a reserve bid which will be made known at the time of the sale.

Terms of Payment—10 per cent. to the Plaintiff's solicitor at the time of the sale; the balance to be paid into Court within sixty days without interest. The sale is subject to the standing conditions of the Court.

Further particulars may be had from G. G. Norris, Barrister, Alx, Alberta. Dated at Red Deer Alberta, this 16th day of June, A. D. 1919. Sgd. F. S. Simpson, Clerk of the Court.

LUNCH AT NOON

Bentley News

Farmers Take Notice

Until further notice we will be shipping hops on the 2nd and 4th Wednesdays of each month. All hops must be in by 12 noon, Dameron and Thorp.

July 5th, Saturday, has been the date finally chosen for Bentley Celebration and the promise is that it will be the greatest day in the History of Bentley.

Final arrangements have been completed with the "May Airplanes Limited" of Edmonton whereby Lieut. George Gorman will spend the day in Bentley with one of the Company's Airplanes and will give exhibition flights and carry passengers.

Lieut. Gorman is an expert in the handling of the plane. He was shot down during a flight behind the German lines and for four months he was a prisoner in Germany.

Thus early in the new era will the Blindman Valley be on the map as an airplane depot.

The committee in charge did all possible to have the celebration on July 1st or failing that, on July 4th. But the only available day to get the airplane was on Saturday July 5th, so the committee closed with the company. Lieut. Gorman will fly direct from the Neutral Hills Stampede, where he will be July 1st to 3rd. Everyone wishing to take a flight here will do well to book the necessary at the Bentley Garage before the day of Celebration. The fare is \$20.00 a flight and a percentage of the fares go to the local committee to defray expenses.

But, while the airplane will be the chief attraction, there will be a splendid programme of sport as well. Meadowbrook and Bentley ball teams will play. Any other teams are invited to play at Bentley and all so wishing should send in their name to Mr. J. G. Blish by Wednesday, July 2nd.

There will also be trap shooting, tug-of-war and a horse shoe tournament. A full line of foot races, etc. will be prepared for all who care to take part.

The curling rink will be moved down to the grounds for a refreshment booth. Mesdames Williams and McPherson will serve luncheon. A call is issued to all who wish to make this the "most successful day Bentley has ever had" to place their services at the disposal of the committee. A good deal of work will have to be done to get the ground prepared for the airplane. Bowers arranged for the comfort and convenience of the women etc. If you can help leave your name at the Garage or the Butcher shop.

Bentley and Meadowbrook played a very interesting game of ball on Saturday night. There was a good turnout. Bentley team won the game. The lineup was as follows.

Batteries—Messrs. D. and J. Whitesell.
1st J. B. McPherson, 2nd W. Whitesell, 3rd H. Ormond, short stop; F. Whitworth; L. F. R. McKilligan; Centre, Brown; R. F. Lyman McPherson.

Mr. Frank Smith, son of Mr. Wm. Smith of Bentley, motored up from Montana last week looking for land. He has been dried out three years in succession and on his trip up says this is the finest piece of country he has seen.

Mr. John Farr happened with a serious accident on Friday, when a yearling steer turned upon him, knocking him down and trampling him and goring him. Only the intervention of a neighbor saved his life. As it is he will be laid up for some time with a broken collar bone and a very sore body.

Private Joe Merideth returned home on Thursday and Seaman Harold Hopkins on Saturday. Ralph Morrison arrived in Halifax on Friday from the Aquitania and James Miller is reported to be in Port Elgin Ont. Word from Douglas Wyatt said he expected to leave on June 8th, so he should be home any day.

The baby girl of Earl Stephenson narrowly escaped drowning on Saturday when she fell into the watering trough. As it was, it was quite a while before she was brought back to consciousness.

A splendid piece of road work has been completed east of town by the large grader. The road is now graded on the meridian north to the lake shore. The road east of the meridian, and north from George Cabakha has been graded to the lake shore and a new road between these along the shore. We would have liked to have seen the road along the shore completed another mile and a half and the road a mile east of Bent-

ONLY MEDICINE MADE FROM FRUIT

Extraordinary Success which "Fruit-a-lives" Has Achieved

One reason why "Fruit-a-lives" is so extraordinarily successful in giving relief to those suffering with Constipation, Torpid Liver, Indigestion, Chronic Headaches, Neuralgia, Kidney and Bladder Troubles, Rheumatism, Pain in the Back, Eczema and other Skin Affections, is, because it is the only medicine in the world made from fruit juices.

It is composed of the medicinal principles found in apples, oranges, figs and prunes, together with the nerve tonic and antispasmodic of proven repute.

One a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

ley opened up to the lake. This would have completed a beautiful auto lake shore road and help to advertise this side of the lake.

Mr. Earl Stephenson returned from Pence River on Friday.

Mr. Inglis and family of Edmonton have opened their cottage at Bentley Beach for the summer.

Miss P. M. Court has an almost new Mason and Risch Piano which she wishes to sell.

Mr. and Mrs. C. C. Miles returned from the motor trip to Perdue, Saskatchewan last week. The country down there is very dry, not having had a rain for over two months.

Olive News

The W. I. of Olive gave a sumptuous dinner to their families and friends June 21 on the Parsonage Lawn. The occasion being a treat by the losing side in the membership drive last winter.

If there was anything missing in the line of cooking, we failed to notice it. The Olive W. I. boasts of the largest membership in their organization of any small town in the N. W. Everybody was there and enjoying themselves to the "fullest" extent. After about six courses had been partaken of, a load of "Farmers Ice Cream" appeared on the scene. It was certainly good.

We can vouch for one old-timer getting his dish. Gled five times as we were leaving the grounds saw him still eating, but out of the freezer this time, with the serving spoon.

The sociable time and happy faces were evidence of the good will and harmony prevailing in their organization.

The Women in that district can be outclassed when it comes to putting on a "feed" and we take off our hats to them.

AN OBSERVER.

Land Snaps

160 acres—16 miles Lacombe, 9 miles shipping—good high land mostly open—fenced, 55 acres broken, good water, close to school, good set buildings. Price \$25.00 per acre.

Winnipeg Strike

Winnipeg, June 21 (5 p.m.)—Winnipeg went under martial law at 3 o'clock on Saturday afternoon when the riot act was read. But not before one man had been killed and two others wounded by revolver shots fired in their defence by mounted troops. Mike Sokolowski, 552 Henry St., registered alien was shot through the heart as it is claimed he was crossing from one side of William avenue to the other at the time the R.N.W.M.P. made their charge. At the same time Robert C. Johnstone, 548 Ross avenue, a returned soldier who had served three and a half years with the 5th Canadian infantry battalion was shot through the left thigh, the bullet entering the right knee. He is an old Country Scotsman. The other

CLIVE NEWS

Clive Sports

The annual sports day was held in Clive on the 18th, when about 1500 people gathered together from all parts of the district. The cars commenced coming at 9 o'clock and by noon fully two hundred cars were parked in town. A number of people also came in by the train in the afternoon.

The First Ball game was called at 11 o'clock between Mirror and Clive. The Batteries were for Clive, Jeglum and Westling for Mirror, Human and Rae. This game was won by Mirror the score being 6 to 3. It was a very closely contested game throughout.

The second ball game was held in the afternoon between Ponoka and Lacombe. This was a slow game and was an easy win for Ponoka, the score was 15 runs to 6. The batteries for Lacombe, Edgerton and Mosler, for Ponoka, Hambley and Millan pitching and Hambley and Millan catching.

The Third ball game was held in the evening and was much the best game of the day. This was between Ponoka and Mirror and was very closely contested throughout. The final score was 6 to 3 in favor of Ponoka giving them the first prize with Mirror second. The batteries for Ponoka, Koller and Hambley and for Mirror Human and Rae.

The usual races and small events were held in afternoon. W. Short won the 100 yards dash, second place was won by an Indian boy from Hobbema. In the running boy, step and jump, Hobbema boy of Ponoka won first and McCormick of Mirror was second.

The tug-of-war between teams representing the North and south districts was won by the North after a long hard pull and was very closely contested.

The Stettler Brass Band of thirty pieces furnished music throughout the day to the entire satisfaction of the people and the entertainment committee.

Dancing was held in the evening in a Bowler prepared for the purpose the Music being supplied by the Stettler Orchestra. This event was very popular and it is the intention of our Committee to hold dances of this nature again.

Moving pictures were shown in the Pioneer Hall a continuous performance throughout the day, featuring Douglas Fairbanks and Charlie Chaplin in popular roles.

Meals were supplied by Mrs. Coote of the King Edward Hotel, upwards of 500 people were served and the usual High Class service prevailed.

The weather was perfect, there were no accidents and it was without question the very best day Clive ever had.

Sargents and North Star S.D.

A notice of the citizens of the above districts is called for Thursday next, June 26, at Sargents School, at 8 p.m. for the purpose of presenting all returned men with an address of welcome by the chairman of the above school boards. Let every family be represented. Refreshments provided; committee in charge. Mr. Pethybridge, Mr. Nelson, Mr. H. Walters, Rev. J. G. Rogers.

Massed Picnic, July 1st.

A union picnic of the Sabbath Schools and congregations, and for everyone in Westling, Sargents, Edgemoor and Spring Valley, S. Districts together with the F. A. Locals of Clive and Spring Valley will be held in the grounds of W. Morrical. 3 1/2 S.W. of Clive.

Splendid programme of sports, (see small bills). Speakers: Mrs. W. Parilly of the U.F.W.A. Mr. Elliott of the U.G.G. late principal of Olds Agricultural School. Rally Show and contest for all under 6 months and all under 12 months.

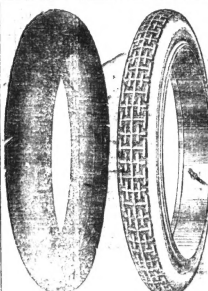

Special prizes in each class. Returned veterans walking contest. 3 special prizes. Refreshment booths. Hot water provided. All are asked to bring lunch baskets, and are asked to assemble for lunch at 1 p.m. sharp. So that the programme may be carried out to schedule time.

In the event of rain the picnic will be held the following day.

Three things to remember:
1 Bring your best smile.
2 A grippy hand shake.
3 Your car well decorated.
See bills for further particulars.
Pres. of Picnic, Rev. J. G. Rogers. Field stewards, W. C. Henry, G. Vanderslyle; Chairman of committee, M. N. Dillz; Secy, P. Banks.

All our prices are the same as Calgary prices and we have the best plant in Alberta. Come in see it you are welcome.

Davidson's Auto Tires & Equipments.
Lacombe - Alberta.

Jack Fish Lake Gaining Popularity

How many people in Lacombe realize the beauty of Jack Fish Lake, a beautiful body of water that lies about two miles south and a mile or two west of town. The lake is about a mile wide and six long and has a very good bathing beach on the side nearest Lacombe. Last Sunday our reporter counted over a hundred people enjoying the pleasures it offers. Many people who can not spend a Sunday at Gull Lake can have a good outing here. The trees surrounding the lake offer a fine place for picnic parties, and the water near the shore is ideal for children to go wading; the lake abounds in duck fish and those who are fond of fishing should pitch their tent

here. We think with a little hooking Jack Fish Lake should run Gull Lake a good second.

German Fleet Sunk By Crews in Scapa Flow

London June 21st.—The German officers and sailors, forming the complements of the German ships internment at Scapa Flow sunk most of their fleet today. All the big ships, battle ships and battle cruisers excepting the Baden and numerous smaller craft were sunk while others went ashore in a half-crazed condition.

Eighteen destroyers were beached by tugs, four still are afloat, while the remainder went under. The wholesale sinking of the German ships which came to Scapa Flow to surrender under the terms of the armistice, was carefully arranged by the officers and crews.

All explosives had been removed, and therefore, the only means of destroying the fleet was by opening sea cocks. The ships went slowly down with the German flag, which the crew hoisted, showing at the masthead. The crews, composed entirely of Germans, under the terms of the armistice which did not permit of British guards aboard, took to the boats when the vessels began to sink. While making for the shore the boats were challenged and called upon to surrender. Some of them ignored the summons and were fired upon a few casualties resulting.

The stroke apparently was an entire surprise and the first news reached London through a correspondent who was informed by farmers in the neighborhood that they had seen the German ships sinking with their flags flying.

The German officers have been made prisoners. None of the officials tonight would offer an opinion as to how they are to be dealt with. The Admiralty at first denied the report, but later confirmed it and issued an official statement. The statement says:

"According to the latest reports from Scapa Flow, all the interned battleships and battle cruisers have been sunk, except the battle ship Baden."

"Five light cruisers have sunk but 3 have been beached. Eighteen destroyers have been beached by local tugs."

Four destroyers are still afloat.

The rest of the destroyers have sunk.

"A German Rear-admiral and most of the Germans from the ships are now in custody aboard British ships. Some boats from the ships refused to stop when ordered to and were fired upon. A small number of the crew were killed or wounded."

"In accordance with the terms of the armistice, the German ships interned and skeleton crews as caretakers and without British guards aboard."

The first news of the sinking of the German fleet was contained in a Thurso despatch to Exchange Telegraph Company.

Early in the afternoon report was made by the Exchange Telegraph Co., that virtually the whole German fleet at Scapa Flow had been sunk, but a few minutes later the news agency asked that the despatch be cancelled.

A later despatch by the Associated Press from Thurso said:

"The hoisting of a Red Flag at noon was the signal for the crews to scuttle the German ships in Scapa Flow. The crews took to the boats and rowed toward the guard ships. The guardships fired at the Germans who jumped and swam ashore, where they were rounded up."

LACOMBE EXHIBITION

Special Prizes Canadian Bankers' Competition for Boys and Girls.

Class 1
Calf, Pure Bred or Grade (Grade bull calves must not be shown).
Prizes: 1st, \$5.00; 2nd, \$4.00; 3rd, \$3.00; 4th, \$2.00; 5th, \$1.00; 6th, \$1.00.
